## MINISTER'S MUSINGS

### Poke-what now?

#### What is Pokémon Go?

For those who haven't heard about it from their kids or grandkids or seen a story about it on the news, Pokémon

Go is a new game that was released on smart phones in early July. It quickly became the most downloaded game with the largest number of active players ever. The game involves using your smart phone to walk around to key spots in the real world where you capture pokémon (pocket monsters) of various types. There are more aspects to the game, but that's the important basic concept. People playing the game need a smart phone and need to walk around the real world to play the game.

#### What is a Pokéstop?

One of the key locations in the game is called a pokéstop. It is where players can pick up items for the game (on their phone) and are more likely to find pokémon. Real world locations like art displays, memorials, public buildings, and historical buildings were designated as pokéstops. There are two pokéstops at CANO where there used to be two art installations. (The information they used to create the game is from several years ago and sometimes is out of date.) The UUSO Chapin Memorial Sanctuary is also a pokéstop, because it is on the National Register of Historic Locations. In the Oneonta area, these three pokéstops are the closest together and allow players to play the game more efficiently.

#### Why does it matter to us at UUSO?

Well, first, it means there are a lot more people walking by and around our property both day and night. You can recognize the players because they are the ones with a phone in their hand and frequently pausing. CANO has become a late night gathering spot for the players with 20-30 young adults gathering on their lawn every evening after dark. CANO has given them permission to gather there as long as they leave the property clean and undamaged. I've let the players know they are welcome on our property as well (they only need to be on the sidewalk), but I've asked players to refrain from playing the game in our sanctuary. We have plans to host some Pokémon Go-themed events at UUSO to try and tap into this young adult and youth community. Our first event will be a pizza and pop fundraiser on Friday, August 5th, at 9 p.m. One of our goals in our Long Range Plan was to increase outreach to the community and specifically to young adults. This game gives a chance to show we are a welcoming, accepting, and exciting group to be a part of.

So, if you see someone wandering around on Ford Avenue with their phone in their hand, say "Hi" and wish them "Happy Hunting." You might strike up a conversation; you might make a new friend; you might just have found our newest member of UUSO.

Cooperatively,

Rev. Craig

# SAWDUST FROM THE BOARD

During our July 27 Board of Trustees meeting, we passed a Building Use and Rental Policy (View here: <http://uuso.org/wp-content/uploads/2014/07/BuildingUseRentalRev3-1.pdf>). We also discussed the evaluation of the ministry planned for Fall, the Leadership Retreat taking place September 25 sponsored by the Committee on Ministry, reviewed the Long Range Plan, and discussed a liaison experiment that we will try this year —more information to come.

A new question we will ask at the end of each board meeting is “What voices have not been heard or represented during the meeting?” so that our leadership is always thinking about our white privilege and making sure that we increase our awareness and inclusiveness.

Karen Palmer, President  
UUSO Board of Trustees  
607-267-4793

We also determined that our Fall Congregational Meeting date will be October 23, 2016 and our Annual Meeting will be May 7, 2017.

Our next Board meeting is *Wednesday, August 17, at 6:30pm* in the Sanctuary. Members and friends of UUSO are invited to observe. Board members are always happy to listen to your concerns or suggestions and a Trustee and member of the Committee on Ministry will be present at the “Sounding Board” table after the service on August 14th.

### Thanks to All Who Signed Our Social Action Committee Petitions

A big thank you to all of you who signed our Social Action Committee/SAC petitions, which have now been mailed to the various recipients. Seventy signed the petition to divest New York State and local retirement funds from fossil fuels; 65 signed the petition to stop drone warfare; and 38 signed our latest petition to Gov. Cuomo to repeal his executive order punishing those who employ boycott and divestment as a means to effect political change.

Stop by the Social Action table where there are several books available to loan on various social justice issues.

—Suzanne Miller, Social Action Committee

### Habitat Lunch

The Unitarian Universalists provided lunch for the workers at the Habitat House on Saturday, July 16. The crew works hard and gets to enjoy a good meal. Mary Ambrose, Lisa Barr, Dawn Kilts, Alice Siegfried, Grace Smith, Prue Stelling, Kay Stuligross and Linda Wilcox all sent food. Prue, Linda and I delivered the food, toured the house and talked with the workers. The house is finished and they are starting work on another home.
