Which is more damaging to us,  
being weird or being afraid of being weird?

**June 21**

### **"Being a Father"**

Rev. Craig Schwalenberg

*Father's Day/ Family Friendly Service*

What does it mean to be a father?  
Join us as we celebrate this special, complicated relationship with reflections from multiple voices.

### **"Growing Pains"**

Rev. Craig Schwalenberg

We are not who we used to be.  
We are not who we will eventually be.  
Everything we know is changing.  
In the face of flux,  
shall we be afraid or excited?

**July 19**

**“A True Unitarian”**

Rev. Craig Schwalenberg &  
UUSO Chancel Players

Unitarians, historically, asserted the heresy that there was only one god.  
What if they were more right than they knew?

**August 16**

**“A Rabbi's Reflection”**

Rabbi Molly Karp

Rabbi Karp will share thoughts and reflections from her perspective as an ordained Rabbi.  
What wisdom does the Jewish faith have for our Unitarian Universalist tradition?

**July 26**

**“Question Authority”**

Rev. Craig Schwalenberg  
*Family Friendly Service*

We are a faith tradition with a rich history of questioning authority--  
and just questioning in general.  
Bring your questions for Rev. Craig to answer.

**August 23**

**“The Tao of Juggling”**

Rev. Craig Schwalenberg  
*Family Friendly Service*

These days, it seems we are all juggling; trying to keep multiple things in the air, trying not to drop anything important. Life is all about juggling. So is the Tao.

**August 2**

**“The Hard Questions”**

Rev. Craig Schwalenberg

Some questions are just more difficult. They take a bit more time and reflection. Let's sit together and go a bit deeper with some of our hard questions.

**August 30**

**“Much Obligated”**

Rev. Craig Schwalenberg

What does it mean to be obligated to someone? What are our obligations to one another, generally and specifically?

(We will be taking up the annual collection for our contribution to Caring Connections at this service. Please make checks payable to UUSO with "Caring Connections" on the memo line.)

**August 9**

**“The Last Mile”**

Adrienne Martini

Faith is in the gap between what we know we can do and what we hope to achieve.

**September 6**

**“Procrastinate Tomorrow”**

Sam Goodyear

We have all the time in the world, most of the time, but it is precious. Let's make the most of it.
